### **FRYE APPEARS ON C-SPAN2 PROGRAM**

*Program educates students on the importance of public service and local government*

**San Diego, CA-** Today, Councilmember Donna Frye appeared on the C-SPAN2 program “*Students and Leaders Forum: Lessons on Leadership & Public Service.*” She led a discussion with high school students at Grossmont High School regarding the importance of serving the public and working in local government.

Councilmember Frye stated that “Serving the public and being active in your local government is critical to the success of the political process. Being an active participant in your community ensures that everyone is working together to make the best decisions possible.”

Over forty students were in attendance and the discussion ranged from Frye’s beginnings in local politics to her current role as a San Diego City Councilmember and a former mayoral candidate. The program will air on C-SPAN2 on February 10, 2006 at 7pm (PST).

The program is co-sponsored by C-SPAN and Cox Communications and is part of the C-SPAN School Bus program. The C-SPAN School Bus is dedicated to advancing C-SPAN’s education mission targeting middle and high school civics and government teachers. The primary goal of the School Bus visits is to introduce teachers and students to C-SPAN as an educational resource.

Frye is the Councilmember for the Sixth Council District of the City of San Diego, which includes Clairemont, Kearny Mesa, Linda Vista, Mission Bay, Mission Valley and Serra Mesa. She has served on the City Council since 2001.
